January 2026

Dear Five Star Member,

Five Star Credit Union would like to share an important update regarding the Blakely community.

Our Blakely Downtown Financial Center, located at 12347 Columbia Street, will temporarily close for renovations designed to enhance our facility and better serve our members. The final day of operation at this location will be February 28, 2026, with plans to reopen in early 2027.

We understand this temporary closure may cause some inconvenience. Please be assured that it will not affect your accounts, services, or access to your funds. Members may continue to conduct business at our nearby Blakely Financial Center located at 11189 Columbia Street, as well as through online banking, our mobile app, and our ATM network. The Five Star team remains committed to providing the high level of service you expect.

**Safe Deposit Box Access During Renovation**

Members with safe deposit boxes at the Blakely Downtown location will be able to access them by appointment only during the renovation period to ensure the safety of our members and staff.
